Question 17

What is idolatry?

Answer

Idolatry is trusting in created things rather than the Creator for our hope and happiness, significance and security.

For although they knew God, they did not honor him as God or give thanks to him, but they became futile in their thinking, and their foolish hearts were darkened. . . . They exchanged the truth about God for a lie and worshiped and served the creature rather than the Creator. . . . Romans 1:21 and 25

Prayer

Creator God, forgive us for worshiping the things you have made. No person or thing should be our hope or our trust. You alone are self-existent and all sufficient. May you be our all in all. Amen.
